

# Agency Expectations and Resources for Culture and Diversity

Orientation Activity

## Instructions:

1. Some PCSAs include a “code of conduct” section in their Policy/Personnel Manual(s). Check to see if cultural competence and local resources for learning about cultural competence is earmarked. If it is, review that section and talk to your supervisor if you have additional questions.
2. If this material is not available in written form, interview key staff for information about agency expectations and educational resources concerning cultural competence. Keep track of your notes below.
