

FUNDAMENTALS OF FOSTERING

The Ohio Child Welfare Training Program (OCWTP) has developed a series of workshops designed specifically for you, the newly licensed foster caregiver. These 6-hour workshops, which can be used to meet the first two years of your ongoing training requirement, build on the knowledge you gained during Preservice training. They allow you to develop and apply the knowledge you need as a foster caregiver, enhancing your confidence and your ability to adapt your parenting style to meet the needs of the children placed in your home. Talk to your Licensing Specialist about registering for the series *Fundamentals of Fostering*.

<p>924-FF7-S Understanding and Building Attachment</p>	<p>926-FF9-S Foster Families and How They Grow: Understanding the Effects of Fostering</p>
