

TRAINER NEWS FROM THE OCWTP

Trainer Bridgeline Call

Are smaller than average class sizes making it difficult to honor the workshop timeframe as contracted? What do you do when the activity calls for several small groups and your class is barely one small group? Pam Severs will help you identify ways to adjust activities without adding content so small classes are no longer something to stress about. Join us for the next trainer bridgeline on either Tuesday, February 9, at 12:15 or Friday, February 26, at 12:15. Call 1 (866) 305-2467 and use pin # 148-032.

Tax Forms Mailed

Your 1099-MISC tax forms were mailed last week. If you have any questions, please contact Sandy Aska saska@ihs-trainet.com or Laura Howell lhowell@ihs-trainet.com.
