## Distance Learning Access Instructions

---

### MANY FACES OF AUTISM

1. Go to <https://autismcertificationcenter.org/> and select “Get Started” from the top right menu.
2. Complete the registration form, including selection of password.
3. When prompted, click “Continue to Dashboard”
4. Select “Start Course” under “Many Faces of Autism”
5. This course is comprised of six video modules, plus an introduction and assessment.
6. You must complete each module and pass the comprehensive assessment by 80% to receive a certificate from the Autism Certification Center.
7. In order to see continuing education credit on your certificate, you must first go to your profile page on the ACC site and add the crediting organizations of your choice to your profile. You will be asked to provide a valid license/ID number in order to complete this step. Once you've downloaded your certificate(s) they'll appear on the ACC dashboard under the Continuing Educations tab. You'll notice approval numbers on the upper right hand corner of your certificates (above the course description).
8. Forward that certificate of completion to [e-track@ihs-trainet.com](mailto:e-track@ihs-trainet.com) to have training credit reflected in your E-Track training transcript. The course will be reflected in your transcript as OCWTP hours only and licensure hours

will be added as a separate supplemental history line item—as licensure hours were provided by the Autism Certification Center rather than the OCWTP).

**Questions: [e-track@ihs-trainet.com](mailto:e-track@ihs-trainet.com) or 614/437-2516.**
